

OUR MISSION

We aim to help each child develop independence, enjoy learning and reach their potential, in surroundings where they feel safe and happy. We offer an engaging, warm and caring environment that combines play and learning to support children's development.

Our staff are skilled, kind and committed, and enable us to cater to each child and family's unique needs on their journey through the Early Years Foundation Stage. By building positive relationships and encouraging friendship and respect, we aim to help children grow in confidence, value their differences and thrive.

"The perfect place for any little one."

ABOUT US

Fowlmere Playgroup is a busy, thriving group that has been part of the local community since 1977. We cater for pre-school children, starting from two years old.

We are a registered charity run by a committee of parent volunteers. Playgroup staff, in partnership with the committee, plan the curriculum around the seven key areas of learning and development outlined in the Early Years Foundation Stage framework.

"Staff have so many creative ideas, especially in their role play areas. A happy atmosphere with the added bonus of lots of outdoor space to spend time in."

OUR APPROACH

The children are offered fun activities that help them to develop confidence, independence and imagination, as well as helping them to acquire new skills in preparation for primary school.

Children are encouraged to make their own choices from a wide range of resources. With adult support, they are able to grow in self-confidence and develop at their own pace.

"I love the joy on my daughter's face as she arrives whilst being greeted by staff."
